To school staff conducting BinaxNow COVID-19 Ag Card Screening in John Doe School District:

This letter serves as the standing delegation order to authorize and allow SARS-CoV-2 rapid antigen testing for students, teachers, staff and other persons on-site at schools using the Abbott BinaxNow COVID-19 Ag Cards under FDA Emergency Use Authorization (EUA). All screening shall be performed by persons who have received the required training and are operating under the respective CDPH Clinical Laboratory Improvement Act (CLIA) Certificate of Waiver directed by Dr. Carol Glaser [or substitute your district waiver and director].
